

# Canibus Lyrics

## "Microphone Meticulousness"

Ooo ya done fucked up now  
Oo boy it's the mainstream blazing the green rip the  
mic no matter how wasted I seem yee

Is this what you want?

*[Canibus]*

Yee yo yo I rap that shit when the mic check that shit  
Canibus nigga he the best that spit  
Fuck the fact that I never had a hit  
I don't need it cuz I never met a rapper that I ain't rip  
Walk strap wit a mic and a 50 minute DAT for the night  
just incase your show ain't tight  
Step on stage and paste left to right  
Like a lion ready to bit you dieing tonight  
More lines to your forehead than Brian McKnight  
A thousand volt voice box I'm a fry them tonight  
I've been shitin on site  
Meticulousness with the mic takes a mic and rips it  
like a Corbin knife  
Lyricist that don't lounge  
Break a nigga down  
Since you're iced out you can keep the sweating down  
Lift you of the ground till your bitch screams  
Put him down he's a mic club member now  
Beat you wit my braw  
Force you to speak loud  
Like motherfuckers give me 50 bars right now  
Plus another 50 that's not 100  
You spit 86 you trying to tell me you can't count  
Throw you in the sweat box let you sweat in out  
1 2 3 4 1 bar figure it out  
You should feel you maggots aren't ready for the  
illist rappers  
Allied metaphors in this joint active compensative  
comp linens in the rhyme science Protected by mic club security advisers  
Pick the mic up and train  
Till my voice becomes number one again on a Marge ton exchange  
Too violent to tame  
Move vein pump thro my veins  
Cuz I never been embraced by the game  
Put emcees to shame  
With the lyrical linguist spiting vintage colonial English  
Like who art thou, bow to the 10 inch dick suck on it  
I'm the aflame of this shit  
From the king of the past bringing it back  
Tell the queen of the pride to come sit on my lap

Her body is spotless she ain't got one scratch  
So you could keep them other ugly bitches in the back

*[Chorus: x3]*

Niggaz want to bust like the canibus on the mic but  
they can't bust like the canibus can  
Niggaz want to bust like the canibus on the mic but  
they can't bust like the canibus can  
Niggaz want to bust like the canibus on the mic but  
they can't bust like the canibus can
